

Pretty Woman, LLC is currently searching for a full time Cosmetic Chemist to be based out of its Holtsville, NY facility.

Responsibilities:

- Formulate new products for nail care applications, color shade matching, and anhydrous formulation development, including lip care and eye area products.
- Manage the stability and compatibility of formulations and quality control.
- Create and maintain PIP files, product dossiers and safety assessments.
- Administer product regulatory compliance, including REACH.

Qualifications:

- Bachelor's degree in chemistry or a related discipline.
- Minimum of 2-3 years in cosmetic formulations, preferably color cosmetics.
- Ability to handle multiple and changing priorities in a fast-paced environment.
- Capable of working independently
- Must be well-organized
- Excellent written and verbal communication

For confidential consideration and additional information regarding this position, please e-mail resumes to the attention of michaeld@prettywomanusa.com
