

Job title

Paid Intern - Skincare/Cosmetics Formulation

Job Description

Amway Research and Development comprises 800 scientists, engineers, and technicians working in 65 state-of-the-art laboratories worldwide. Our team has generated over 950 patents and 850 patents-pending supporting a portfolio of over 450 innovative, science-based, high-performance health, beauty, personal care and home care products.

This internship is within Beauty Product Development, which is responsible for the design, development and scale up of a broad range of skin care and color cosmetic products to support Amway's portfolio of beauty brands, including ARTISTRY, one of the top 5 selling global premium skin care brands. The intent of this internship is to advance our ability to support new product launches and deliver consumer-preferred products in the prestige skincare category.

The ideal candidate will apply learning's from advanced academic training and/ or experience in cosmetic science to the development of new or improved product forms with targeted performance and sensory profiles. Job activity will include;

1. Bench development, evaluation and characterization of prototype formulations
2. Interaction with technical staff in a wide range of disciplines - Formulation, Process Engineering, Consumer Evaluation, Analytical Chemistry, Bioassay, Microbiology and Advanced Imaging. Interaction with other cross-functional partners will also include Corporate Marketing and Project Management.
3. Delivery of an oral technical project presentation.

This is a Summer 2013 internship; qualified candidates must have a minimum GPA of 3.5 and one semester or more left of school to complete at the beginning of their internship. Candidates who have graduated are not eligible to intern. This position is located near Grand Rapids, Michigan. Relocation will be provided

Minimum Education/Experience Requirements

Undergraduate or Graduate level student with training in a Cosmetic Science curriculum. Skincare or cosmetic laboratory experience is highly preferred.

Company Profile

As a \$9.2 billion dollar pioneer in the direct selling industry, Amway has been helping the world live better since 1959.
