## Technical Sales-Cosmetics-Northeast

Independent Chemical Corporation, one of America's Top 100 Chemical Distributors, seeks an experienced Cosmetic Chemist for a blended Sales/Technical Support Role. This position will involve Technical Support for company accounts plus the opportunity to develop new accounts and learn the role of Sales. Products will be a mix of actives, encapsulants, scrubs, and other specialties, plus commodities. Ideal candidate will have 3+ years formulation experience and a degree in the sciences. Territory will include NY north to Eastern Canada. Candidate must live in the NY area and the position will be approximately 1/3 office and 2/3 field based. Position includes travel allowance, salary, performance, and health. For more information visit [www.Independentchemical.com](http://www.Independentchemical.com). Please send resume with salary target to [Jonathan@independentchemical.com](mailto:Jonathan@independentchemical.com).
