

Senior Applications Lab Chemist

Kobo Products, Inc. – South Plainfield, NJ

Job description

Kobo Products, Inc. located in South Plainfield, NJ is seeking an organized, self-motivated, and detail-oriented Senior Applications Lab Chemist to join our team.

Job Requirements:

- Bachelor's Degree in Chemistry, Chemical Engineering, Bioscience, or Biology required
- 5+ yrs. experience in formulating skin, sun, and hair care products including: sunscreens, lotions, shampoos, and conditioners; knowledge of formulations of lipsticks, foundations, pressed powders, and nail enamel is a plus
- Knowledge of cosmetic regulations and safety required
- Must be able to work in a fast-paced environment
- Strong communication/presentation and multi-tasking skills
- Excellent computer skills
- Some domestic and international travel required to support tradeshow and customer visits (post ending of COVID safety restrictions)

Responsibilities Include:

- Help to develop new raw materials for unique products
- Train and assist technicians, chemists, and temporary personnel on formulating cosmetic products including all colored cosmetics, hair care, sun care and personal care as necessary.
